# Adhere in a sentence

## In Text Citations--Ideas

Whenever you get an idea from a source cite it using the author's name and date of publication in parentheses at the end of the sentence or paragraph describing their idea. The period goes after the final parenthesis.

Example:

When the APA style was first conceived eighty years ago, the main purpose was to develop standards for the publication of articles in the fields of anthropology and psychology (American Psychological Association, 2009).

American Psychological Association is A corporate author

Strictly adhere in a sentence. More adhere in a sentence. Adhere in a sentence easy. Adhere in a sentence intransitive. We will adhere in a sentence. Self adhere in a sentence. Adhere words in a sentence. Not adhere in a sentence.
